Conference Coordinators

Nataliya Horuk

nataliya.horuk@lnu.edu.ua

Khrystyna Kalahurka

khrystyna.kalahurka@lnu.edu.ua

Main Topics

1. Modern world dynamics and strategies for educational space formation
2. Educational policy in the context of globalization and internationalization.
3. Virtual educational space and a new era of information and communication technologies in education
4. Monitoring and expertise of education quality: national and international experience
5. Management of current global educational space
6. Integration of formal and non-formal education in the educational space of higher school

The 2021 International Conference will provide a platform for comparative analysis and discussion of these and related topics with an emphasis on policies and reforms of higher education in the context of current global educational space and internationalization.
